## PROFILE

Bharathidasan Government College for Women (Autonomous), the biggest institute for women students in Puducherry, was inaugurated in the Academic Year 1968 – '69. With the name of the great Poet of this soil, the Institution has been functioning to promote 'Women Education' and caters to the needs of the women students by offering a wide range of Science, Arts and Commerce courses. Now the Institution has 14 Under-graduate Programmes and one Doctoral Programme in Home Science. During the span of 55 years the college has witnessed a phenomenal growth both qualitatively and quantitatively.

The excellent performance of the students in the curricular, co-curricular and extra-curricular activities has facilitated the Institution to get the autonomous status from the academic year 2004-'05. This college is the first autonomous Institution in the Union Territory of Puducherry affiliated to the Pondicherry University. The College has implemented the National Education Policy (2020) from the academic year 2023-24.

With a focus on the Knowledge-based economy, pioneering efforts are being undertaken to exhibit the talents of our students. This is the first Arts and Science College in the Union Territory of Puducherry which established a Placement Cell, as an initiative for making the deserving students get jobs after their graduation. Bharathidasan Government College for Women with its autonomous status will bloom as an epi-center in promoting quality standards and shaping a knowledge-driven society.
