A National Webinar on

CULINARY CHOICES & DIETARY CONCERNS: A PARADIGM SHIFT

Tuesday, the 23rd November 2021 @ 10.30 am

SCOPE OF THE WEBINAR

This webinar explores the recent trends of Indian household food gatekeepers towards meal planning, food purchasing, and meal preparation during the pandemic and its associated lockdowns. It also throws limelight on the increasing use of information technology in nutrition science, concept of gene-diet interaction and nutrition approaches in dietary management.

Participants:

Academics, Research Scholars, UG & PG Students and those who are interested
