

GOLD MEDAL

The College will be giving Gold Medals every year to one under graduate student in each discipline of study subject to the following:

- Such students should have secured the highest aggregate (cumulative marks) of all the six semesters with first class in respect of the main papers in Part III
- Such marks should have been obtained by those students in their first attempt of appearance of examination as per the term of the course without absenting themselves in any of the examination for any reason or whatsoever
- Such students should not have had any arrear in any paper at any time during their term of study.
- The decision to award the Gold Medals during the time of natural calamities or when the examinations are held through online mode, off the campus is vested with the College Council.
- The decision of the College Council in awarding the Gold Medals or/ and hosting the award ceremony is final and will be binding on all the students.
