**Best Practices**

1. Institutionalize goal-driven teaching-learning processes that align with the motto of collect, communicate and convert knowledge into action.
2. Encourage innovative teaching-learning mechanisms.
3. Pedagogy and evaluation aligned to supplement theoretical and practical knowledge.
4. Promote culture among faculty of enrichment, training and development programmes.
5. Incorporation of socially relevant and industry-significant components in the curriculum.
6. Practise inclusiveness and inculcate the feeling of belonging and self-sufficiency.
7. Administer mechanisms to cut down dropout among students and reduce attrition of the faculty.
