**LAKSHMI DEVI K**

has successfully completed the online, non-credit Professional Certificate.

## Google Project Management

Those who earn the Google Project Management Certificate have completed six courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for introductory-level roles in Project Management. They are competent in initiating, planning and running both traditional and agile projects.

We do not guarantee a return on investment for this degree-earning Professional Certificate program. But the included courses are the equivalent to one project course. Find a partner in the online job skills marketplace for career advancement at this university. This certificate also has earned a University grade, recognized by degree and is able to verify the degree on the banner.
